**Give a
USB Flash
Drive Gift**

2017 Edition

Give a USB Drive to a Friend, a Loved One, or to Yourself

The nice thing about a USB flash drive, you can fit the entire Ruby or Jack Flanders onto something the size of your thumb.

They make stylish-tech gifts too. This is not some chintz-looking thumb drive, but a classy SanDisk Cruzer-Glide Flash Drive! And it really is the size of a handsome thumb. You can even tie a little red ribbon around it.

It's like a precious gemstone you can place in a loved one's palm. But how many gemstones have stories inside them? And will speak to you with the smooth voice of Jack Flanders, or the sultry voice of Ruby?

Here are the gems we offer. For a complete description, see our catalog.
